

EX DISPENSER

Introducing the new Daansen
EX Dispenser Platform.

For over 30 years Daansen has been
committed to providing thoughtfully
designed and well-built dispensing
systems.

We are proud to continue that
tradition with the new EX Dispenser.

Customization

The EX dispenser's pushbar, window insert and cover are all available in custom colors and finishes. With these components independently customizable, the options are nearly endless.

Visit our website to see photos and experiment with our color simulator to unlock the potential of this exciting new dispenser.

Custom silkscreens and labels are also available and fully combinable with the EX dispenser Product Line.

The EX dispenser is the complete package ready to help you build your brand.

The EX Advantage

- ✓ Up to 1,200ml capacity
- ✓ Customizable color and finish combinations
- ✓ Utilizes the same collapsible bag refill system as the Daansen 500 series Foam and 600 series Touch Free Dispensers
- ✓ Switchable from Foam to Lotion or Gel dispensing without changing any dispenser components
- ✓ Multiple output options (with change of pushbar):
 - Standard foam: 0.70ml
 - Reduced output foam: 0.40ml
 - Standard lotion: 1.5ml
 - Reduced output lotion: 1.0ml
- ✓ Locking option available
- ✓ Large product viewing window
- ✓ Space-saving and durable design
- ✓ One-handed manual push operation
- ✓ ADA compliant

Quality

Quality has a new look.

The EX dispenser marries time-tested Daansen technologies with sleek modern aesthetics and customizable finishes to provide the look your customers want and reliability you can count on.

About Daansen

Since Warren Daansen founded the company in the early 1980s, Daansen has been focused on delivering quality dispensing systems to hand-care markets across the world.

From turnkey solutions to completely custom platforms, Daansen is eager to provide your company with the dispensing tools it needs to succeed.
