Item description

The 1000ml Disc dispenser is a compact and durable unit designed with a sleek and continuous cover to minimize dirt collecting seams. Thanks to its space saving design the dispenser sits less than 4 inches from the wall, making it an excellent choice for placement in hallways and other traffic areas. One handed push operation is ADA compliant.

Compatible with all 3 versions of the disc pump (Standard, Flap Valve and Spray) to meet a wide variety of dispensing needs (liquid, gel, spray and many grit/pumice applications).

Features & Benefits

- Up to 1000ml capacity
- Durable and time-tested design
- Economical refills with 3 valve options
- One-handed ADA compliant operation
