Item description

The Touchfree EX dispenser provides "no touch" dispensing of foam and lotion/gel products in a compact ADA compliant dispenser cabinet. Refills are shared with the manual EX, 600 series and 500 series dispensers.

Versatility:

Switching from foam to gel is as simple as changing a refill- no tools or additional parts or steps required.

Customization:

The Touchfree EX dispenser's window insert and cover are available in custom colors and finishes to allow for custom branding and premium appearances.

Features & Benefits

- Customizable color and finish options
- Easily switch from foam to lotion output by changing only the refill
- Shared refills with manual EX, 600 series and 500 series Dispensers
- ADA compliant
