Item description

The 2000ml Disc dispenser is durable high capacity unit designed with a sleek and continuous cover to minimize dirt collecting seams.

Intended for high traffic and other demanding installations, the 2,000ml Disc Dispenser brings increased cabinet capacity to the Disc family.

Compatible with all 3 versions of the disc pump (Standard, Flap Valve and Spray) to meet a wide variety of dispensing needs (liquid, gel, spray and many grit/pumice applications).

Features & Benefits

- Up to 2000ml capacity
- Durable and time-tested design
- Economical refills with 3 valve options
- One-handed ADA compliant operation
